Primary Degree Programmes

in the

Faculty of Theology

at the

Pontifical University

Understanding Modules and Credits

Modules of courses required for the primary degrees of Bachelor's in Divinity (BD), Bachelor's in Theology (BTh) and Bachelor's in Theology and Arts (BATH) are listed in the following pages.

Each course is divided into units known as *modules*. Module-descriptions referred to in this Kalendarium and posted on the website follow the conventions of the Bologna Process, a Europe-wide system of measuring educational attainment designed to permit the recognition of qualifications and facilitate movement of students.

Module Name and Code: Each module has a formal name or description. For administrative purposes, each module has a code made up of letters and numbers. The letters are abbreviations of subject-areas, e.g. ST (Systematic Theology), MR (Moral Theology), SC (Sacred Scripture) etc. The first two digits refer to the National Framework of Qualifications (NFQ) level to which the programme is aligned e.g. 07 is Diploma level, 08 is Degree or Higher Diploma Level, 09 is Masters level. The following three-digit number indicates the year of the programme in which the module is typically offered, e.g. 321 is a Third-Year course. As some courses are taught on a cyclical basis, a course with first number 2 may be required in third year and vice-versa. The remaining numbers are for purposes of identification only. (See relevant Policy for Allocation of Module Codes)

Module Leaders co-ordinate delivery across the module taking responsibility for ensuring the module is delivered to plan, on schedule and to the required quality enabling students to be effective learners.

Programme Coordinators are responsible for providing key input to design, delivery, development and enhancement of programmes.

Department: The Department of the Faculty responsible for this module.

Module Level: According to Quality and Qualifications Ireland (QQI), the module level is aligned with the National Framework of Qualifications (NFQ). Student progress is measured on a scale of 1-10, e.g. Honours Leaving Certificate (Level 6), Honours Bachelor's Degree (Level 8), Masters (Level 9), Doctorate (Level 10).

Credit rating: Each module carries a number of ECTS (European Credit Transfer System) CREDITS. Credit rating is calculated by the amount of time devoted to the module. A course of two formal lectures weekly for one semester, with tutorials, assignments and independent study, is rated at 5 ECTS credits. Shorter courses (e.g. one lecture per week for one semester) are rated at 2.5 ECTS credits. A year's work at Bachelor's level is the equivalent of about 60 ECTS credits.

Pre-requisites: Some modules require prior work in a subject. This is expressed as a *pre-requisite*.

Co-requisites: Co-requisites are modules taken simultaneously with a particular module. Co-requisites are rare in Theology, except for some modules in the BD programme.

Aims: Each module is designed to communicate to students a body of knowledge or a set of skills. These are described as the *aims* of the module.

Learning Outcomes: These are the skills and knowledge a student may reasonably expect to acquire by the end of the module.

Indicative Syllabus: The indicative syllabus indicates the basic structure of the module.

Time Allowance for Constituent Elements: The amount of time a student is expected to devote to a given module. It is measured by lectures, tutorials, research / preparation of written assignment (essay) and private study.

Elements and Forms of Assessment: Each module is assessed for a final grade. For regular modules, this may be through a combination of final examination and/or ongoing assessment (including essay or project). Information on assessment is provided at the commencement of each semester. (See also relevant Policy on Assessment Workload)

Module Descriptors for all courses are available on <http://sppu.ie/courses>

Bachelor in Theology

Programme Co-ordinator: Rev Dr Carl Scerri

The Bachelor's in Theology (BTh) is a three-year full-time degree, aligned at Level 8 to the National Framework of Qualifications (NFQ). It provides learners with a holistic formation in theology, especially within the Catholic theological tradition, and a grounding in philosophy and the history of Christian thought and culture. Unique to this programme is a series of Primary Text Seminars (PTS) in which students study classic theological texts from antiquity to the present day. They thereby discover the perennial theological questions that have shaped Christianity over the centuries, and are inducted into academic and attentive reading. In addition to leading to a Level 8 award, the programme is specifically designed to prepare students for further training in theology at postgraduate level.

BTh Graduate Attributes

A graduate of the BTh programme will be:

Fluent in the Catholic Intellectual Tradition: Having gained an extensive knowledge of the Christian tradition, the graduate can critically engage with theological ideas and insights; and dialogue in a credible way within present day contexts, particularly in the public square.

Open: Responsive, adaptable, and committed to independent lifelong learning, the graduate is open to opportunities for active involvement in Church and society, further study or professional development e.g. in postgraduate studies, chaplaincy, or pastoral ministry.

Integrated: Recognising that everything in the world is interrelated and having appropriated key convictions across the theological disciplines, the self-reflective graduate makes connections between theological knowledge and personal, interpersonal, and professional life experience.

Socially engaged: Committed to the promotion of peace, justice, and the common good, the graduate contributes to society as a responsible citizen in an informed, Christian, and intelligent way.

Learning Outcomes:

On completion of the programme graduates will be able to:

- MIPLO 01:* Demonstrate an understanding of the core theories, concepts, and methods pertaining to theology.
- MIPLO 02:* Communicate detailed knowledge and understanding of key figures, methods, teachings, controversies, and current issues pertaining to specialised areas or theological sub-disciplines.
- MIPLO 03:* Exhibit mastery in theological research skills and tools while applying the relevant professional and ethical standards in order that closely guided research can be conducted, and its results communicated.
- MIPLO 04:* Evaluate argumentation, attending to evidence, presuppositions, and inferences, in order to formulate judgments and draw conclusions in various domains of theology.
- MIPLO 05:* Demonstrate an ability to pursue theological questions in different circumstances, both personally and in a team environment, with sensitivity to, and ability to engage with, different contexts and opinions.
- MIPLO 06:* Articulate a personal worldview that is conscientious, theologically informed, and manifests a concern for and solidarity with others.

Courses for the Bachelor in Theology

The BTh programme is a 3-year programme of 120 credits. Over the three years, BTh students must take:

1. 25 ECTS of Primary Text Seminars
 - a. Year 1: Primary Text I (Intro) (PS08101) 5 ECTS
 - b. Years 2 and 3: one of the following each year:
 - i. Primary Text Seminar IIA (PS08202) 10 ECTS
 - ii. Primary Text Seminar IIB (PS08203) 10 ECTS
 - iii. Primary Text Seminar IIC (PS08204) 10 ECTS
2. 15 ECTS of Philosophy, including PY08601.
3. Introduction to Latin (BL08178)

So long as the above prerequisites are completed, the BTh student has flexibility in choosing suitable modules to complete the 120 ECTS. Generally, BTh students take BATH modules SC08136, ST08111, MR08129 in their first year, and follow the BD curriculum (excepting the ministerial and canon law modules) in their second and third years. If, for scheduling reasons, there are conflicts or repetitions, the student can take an alternative module (philosophy, theology, or language) that is available, so long as 120 ECTS are completed.

In their final year, students are encouraged but do not have to take BThP100: Mini Thesis or Project (7.5 ECTS). This elective is an opportunity for students to engage in a research project of their choice under the supervision of a staff member, but other modules/electives can be taken instead.

***The following programme is an indicative one for BTh students.
